FOOTNOTES:

Prerequisites/Corequisites: Other restrictions may apply. Please see your course catalog for detailed prerequisite/corequisite requirements.

Visual and Performing Arts Requirement: Selection of a visual and performing arts course in the major (ART 179, MUSIC 153, DRAMA 136, 137 or DANCE 160) must be from a discipline that is different from that taken to meet GE Area C1.

Concentration (9-12 units): Consult your advisor for a list of concentrations. All concentrations require a total of 12 units. In most cases, the initial 3 units are fulfilled by the "lead-in" course which is found in the major. Courses taken for G.E. credit cannot count toward the concentration.

Electives and remaining degree requirements (16-20 units): May be used to satisfy Multiple Subject or Education Specialist Credential Program requirements. Students must earn a minimum of 120 units total to graduate. The number of required elective units may vary, depending on the amount of units earned from major and GE courses.

*Liberal Studies majors who plan to obtain a credential should attend an orientation by signing up in the Education Student Services Center in ED 100 during the semester prior to entering the credential program
