# Program Exhibitors

---

## 1-2: Registration West and East

Sign in for next year's mailing list. Drop off plants and receive "Something Special".

## 3: City of Fresno, Water Conservation Program

Drinking water, free irrigation stake flags and flower bulbs. Water leak and landscape consultation sign-ups. Rebate information available.

## 4: Free Stuff Table

Limit one free item per visitor.

## 5: USDA (United States Department of Agriculture / ARS / NALPGRU)

Free cactus starters and drought-tolerant potted plants. Free jojoba and Hesperaloe seeds. Drought-tolerant plant display. Expert advice about drought-tolerant plants.

## 6: Clovis Botanical Garden

Free drought-tolerant plants. "70 Drought-Tolerant Plants" brochure. Membership and volunteer information. Upcoming CBG gardening events.

## 7: Fresno State Horticulture Unit

Gardening book exchange and plants. Advice about planting.

## 8: Central Valley Friendly Landscape Awards Program

Award-winning Water-wise, sustainable landscape gardens photograph display.

## 9: California Native Plant Society

Free Redbud seeds and California Bay Laurel leaves. Free brochures regarding selection and gardening of California native plants.

## 10: Fresno Cactus and Succulent Society

Free plants and advice from experts.

## 11: Center for Irrigation Technology, Fresno State

Learn about the latest irrigation devices. Ask how to efficiently water your edible garden.

## 12: Central Valley Water Awareness Committee

Free drought-tolerant plants and Water-wise plant info.

## 13: John Weiler Memorial Iris Garden

Iris Society "Iris Basics" Workshop and Tour of Weiler Garden.

## 14: Tree Fresno

Free tree portrait, planting tips, and photograph with your new tree after agreeing to simple steps to value and take care of the tree. Sign up for volunteer opportunities.

## 15: CART (Center for Advanced Research and Technology)

Free plants and other cuttings. Students share their water related experiment results.

## 16: Kids' Activity Area: Crafts & Conservation Items

Hands-on Water-wise plant project for Mother's Day. Activity books, stickers, and materials just for kids.

## 17: UC Cooperative Extension, Master Gardener Program

Look for "ASK ME" Name Tags - Master Gardeners wearing these tags can answer your landscape questions! Advice about garden pests, help with plant identification, research-based drought tolerant gardening information, and information about Kids' Garden Day and Tours.

## 18: Water-Wise Plant Exchange Tables

Drop off your plants from your garden, pick up free plants, and receive help with plant identification. Ask for a volunteer to help take your plants to your car.

## 19: Water-Wise Demonstration Garden

Self-guided tours of the Fresno State Water-Wise Garden. Go to the Fresno State booth for questions about plants in the Water-Wise Garden.

## 20: Tree Fresno Demonstration Garden

## 21: Fresno State Nursery

Super Plant Sale! Lovely Water-wise plants at a good price. Sales benefit the horticulture program.

## 22: Fresno State Horticulture Classrooms

Workshops (see schedule).

**Special Recognition to the Fresno Metropolitan Flood Control District and the City of Fresno's Recycling Program.**
