2021 Harvest Internship

Premium Oakville Cabernet producer is actively seeking energetic and enthusiastic individuals for production staff internships during the harvest of 2021. Previous harvest/cellar experience is highly preferred and a degree pertaining to related studies would be advantageous. Attention to detail, being able to follow verbal and written instructions, and the ability to work cohesively and safely with other people are essential requirements for this position.

Job duties will include grape receiving, sorting, crushing, pressing, wine/juice rackings, wine/juice transfers, lees filtration, inoculations, nutrient additions, pump overs, barrel prep/filling, winery sanitation, and other general winery operations.

The position(s) will start from mid-August to early September and last until the end of harvest activity, usually starting early November to the end of December. The work will involve assisting our wine making team in crafting unique, elegant, and highly sought out world class wines.

If you would like to have a fun and rewarding experience during harvest while working with a passionate wine making staff that cultivates a team oriented work environment, please submit resume and cover letter by email to: efidel@growthwines.com, fax (707) 754-4247, or mail to 750 Oakville Cross Road, Oakville, CA 94562 attention: Eric Fidel

Qualifications:

- Must have reliable transportation to and from job
- CA Driver's License with clean driving record
