

Silver Oak | Twomey | OVID | Timeless

Job Description:

SUMMARY: Harvest internships at our Silver Oak Napa Valley facility are a wonderful opportunity to have a lot of fun and learn about winemaking while working alongside our small and talented winemaking team. We are dedicated to crafting ultra-premium Cabernet Sauvignon with a focus on producing just one wine. The Lab harvest position is responsible for running all analysis with a concentration on quality.

ABOUT US

"We have yet to make our best bottle of wine." This philosophy of constant improvement at Silver Oak and Twomey applies to everyone and everything we do, from grape to glass, production to sales and marketing. We live and breathe a company culture focused on a healthy work-life balance, positive thinking, collaboration, going above and beyond, education, safety and a sense of curiosity. Working at Silver Oak and Twomey comes with many benefits, but none as great as coming to work and feeling valued as a member of the family. Full time employment offers a competitive benefit and healthcare package; and of course, the wine country lifestyle! Silver Oak Cellars was recently recognized as the Grand Champion of the Best in Benefits in the wine industry for 2 consecutive years.

KEY RESPONSIBILITIES:

- Receive and process grape maturity samples.
- Collect barrel and tank samples and prepare wine for analysis.
- Routine cleaning and preventative maintenance of analytical equipment.
- Prepare solutions and maintain chemical inventories.
- Maintain lab cleanliness and ensure safety at all times including the use of personal protective equipment.
- Maintain analytical reports and communicate all analysis through Enologist.
- Assist with experimental projects during harvest.
- Prepare bench trials and assist with setting up tastings.
- Assist with fruit sorting as time allows.

QUALIFICATIONS:

- Commitment to excellence and high standards
- Good written and oral communication skills
- Versatility, flexibility, and a willingness to work within constantly changing priorities with enthusiasm
- Creative, flexible, and innovative team player
- Ability to understand and follow written and verbal instructions
- Experience with laboratory environment and equipment
- Valid driver's license accepted by the state of California

PHYSICAL/MENTAL REQUIREMENTS:

While performing the duties of this job, the employee is frequently required to do the following:

- Walk, kneel, bend, and stand.

WORK ENVIRONMENT:

- Some work may require you to be in a cellar with varying temperature conditions. Ability to stand and walk on concrete floors, catwalks, wet or uneven ground.
