

2021 Harvest Intern - Colgin Cellars

Colgin Cellars

St Helena, CA

Job Description:

Colgin Cellars is a beautiful boutique winery above Lake Hennessey in Napa Valley. We pride ourselves on making delicious world class wine.

We are looking for two more harvest superstars for the 2021 harvest. We are a small, dynamic winemaking and vineyard team in need of a meticulous and reliable individual. You will have the opportunity to perform all harvest cellar activities including: sanitation, fruit sorting, crush equipment operations, fermentation monitoring, pump overs and punch downs.

This is a great opportunity to work closely with the winemaking team and see all aspects of hands on winemaking. You will learn technical and sensory skills at the highest level, which will be valuable to you in your continued career. During harvest, you can form a tight connection with the wines. We are looking to share ideas and experiences during harvest. An environment of curiosity and learning makes for an energizing workplace.

We are looking for hard workers with a high attention to detail, passion about wine, a desire to learn, and a positive attitude.

The fine print:

Candidate must have a valid driver's license and reliable transportation. We are not able to provide housing or transportation. Individuals must be able to climb ladders and stairs, lift up to 40 pounds, stand for long periods of time, and be able to perform all winery activities. Commitment to working 7 days a week, with many days of overtime. Employment subject to a background check.

A harvest chef will provide a fantastic lunch during harvest.

Please visit our website www.colgincellars.com for more information about the winery and vineyards.
