

Harvest Intern

SUMMARY

Join the CRU Winery Production Team for the 2021 harvest! Located in Madera, we source our fruit from world-class vineyards in Monterey, San Luis Obispo and Santa Barbara Counties to produce primarily Pinot Noir, Chardonnay, Syrah and Albarino wines. We focus on producing high quality single vineyard designate wines showcasing the unique characteristics of each one.

Successful candidates will be exposed to a wide range of tasks and learning a variety of ultra-premium winemaking techniques. We are seeking team-oriented, hardworking, self-starters with a high attention to detail.

Essential Functions/Duties

Under the general direction of the Cellarmaster, the seasonal winery workers are responsible for the following duties, including but not limited to:

- Cleaning, sanitizing, and sterilizing all winery equipment and facility
- Red fermentation management - pump overs, punch downs, rack & returns, temperatures
- Racking and pumping of juice and wine
- Moving hoses and equipment
- Making chemical and nutrient additions to juice and wine
- Barrel Work including filling, topping, stirring and racking
- Obtaining lab samples from tanks and barrels
- Operating crush pad equipment
- Forklift operation moving barrels and bins
- Following and observing all safe cellar practices
- Other duties as assigned by the supervisor
- Use senses to detect problems or off-odors

We are looking for team players wanting to learn more about the winemaking process in a fun, fast-paced environment. We provide weekly harvest lunches.

Background and Experience

Prior winery and vineyard experience and/or education in related field preferred, but not necessary! Must have ability to communicate effectively in English with good skills in reading, writing, and basic math. Spanish speaking skills a plus. Must be able to work safely around equipment, electrical outlets, and chemicals. Individuals selected for this position must be reliable, detail-oriented, and have good work ethic. Must be able to work varying shifts, weekends and overtime as needed particularly during the harvest season. Must be able to provide proof of ability to work in the United States.

Physical Demands

This position requires the ability to reach with hands and arms, sit, walk, climb, stoop, kneel, and regularly lift and carry up to 50 pounds.

About CRŪ

We are a family-owned winery that sources fruit from some of the finest vineyards on the Central Coast of California.

With a focus on Burgundian and Rhone varietals such as Pinot Noir, Chardonnay and Syrah - which are best suited to this region, we craft wines for quality everyday drinking.
