

2021 Oregon Harvest Internship

Sokol Blosser Winery

Dundee, OR

Job Description:

Sokol Blosser Winery, located in the heart of Oregon's wine country, is one of the state's most well-known wineries. For the upcoming 2021 harvest, we are looking to hire multiple experienced cellar hands, with one individual focused on lab/fermentation monitoring. Our ideal candidates will have 2+ previous harvest experiences, but not required. Amazing forklift skills are a bonus! Our 2021 harvest will focus on the production of both small batch Pinot Noir for our Sokol Blosser brand and large format fermentation for our Evolution brand. Additionally, we work with Pinot Gris, Rose of Pinot Noir, Chardonnay, Sauvignon Blanc, various sparkling bases, Gamay and aromatic varieties such as Riesling, and Müller-Thurgau. Our estate vineyard is certified organic and our company is B-Corp certified.

Cellar hand responsibilities

- Cleaning and more cleaning
- Attention to detail/safety
- Harvest tasks including but not limited to (cap management, racking, inoculations, barrel work, cleaning, forklift driving, etc.)
- Ability to lift up to 50 lbs., work long hours in variable conditions, follow directions, and accurately fill out work orders
- Potential support to lab work including running pH/TA, using equipment such as densitometers/refractometers and data entry

We provide

- Housing on site
- Lunches, and dinners on late nights
- Cats and dogs for all your cuteness needs
- Football and Frisbee time
- End of day quality time with co-workers, work hard-play hard!

No phone calls, please. Send your resume and cover letter to jobs@sokolblosser.com with the subject line "**Harvest 2021**". The duration of this position would likely be 2-3 months. Start date will be determined with an estimated date at the end of August, lasting through October and or November 2021. After 2021 flowering, we will be able to finalize a start date. Must be eligible to work in the U.S.
