This hands-on position will provide experience in all areas of winemaking from grape to bottle. Come spend some time on the beautiful central coast of California and experience crush in Paso Robles!

DUTIES of the POSITION INCLUDE:

- Vineyard and Cellar Sampling
- Laboratory Analysis (Brix, pH, TA, FSO2)
- Processing Grapes – sorting, loading presses, barreling down juice/wine, performing additions
- Fermentation Management – monitor tanks and barrels, punch-downs, emptying fermentation tanks
- Barrel Work – filling, racking
- Cleaning, cleaning and more cleaning

ESSENTIAL ATTRIBUTES of CANDIDATE:

- Highly motivated and hardworking with a passion for wine and winemaking
- Dependable and willing to work long, extended hours including weekends
- Availability from approximately early August through early December
- Ability to read, write and communicate in English along with basic math skills
- Possess current driver's license and have clean DMV record; forklift experience desired
- Prior harvest experience preferred, but exceptional applicants without cellar experience may be considered

WINERY WORK and CONDITIONS REQUIRE that EMPLOYEES are ABLE to:

- Walk, stand, bend or kneel for prolonged periods
- Frequently move up and down stairs
- Lift up to 60 pounds
- Work in areas that may be cold, wet and noisy
- Function in hot outdoor temperatures and conditions
- Traverse uneven vineyard terrain

This is an excellent opportunity to work with a small winemaking team on all aspects of harvest and winery operations. Interested candidates may submit a resume and cover letter to info@summerwoodwine.com. We look forward to hearing from you and why you would be a great addition to our team!
