

California State University, Fresno
Department of Mathematics

Fifth Annual
Problem Solving Competition
for High School Students

Wednesday, November 4, 2020

Held via Zoom, 5:25 – 7:35 PM

Come and take a challenge in solving interesting problems!

You will be offered several challenging problems and are expected to present full and logically coherent solutions to those problems that you are able to finish solving during the allotted two-hour time interval.

To register, complete the registration form at

<http://www.fresnostate.edu/csm/math/activities-and-events/news-and-events/psc/>.

The registration deadline is Monday, November 2, 2020.

Winners will be notified by e-mail and recognized at the Department of Mathematics Day (DMD) on Friday, November 20, 2020. The 1st place winner is invited to participate in AHS PSC on November 12.

Questions? E-mail Dr. Maria Nogin (mnogin@csufresno.edu).
