(rev. 08/17)

ADDITIONAL INFORMATION IS REQUIRED TO DETERMINE YOUR RESIDENCE STATUS.  
COMPLETE AND RETURN THIS FORM TO THE CAMPUS OFFICE OF ADMISSIONS AND RECORDS.

The information requested is deemed relevant and necessary to a proper determination of your residence status for tuition purposes pursuant to the California Education Code Section 68000 et seq. and Code of Regulations 41900 et seq. Failure to answer all questions may cause you to be classified as a nonresident. You may submit additional information you believe will establish your California residence. Questions about residence requirements should be referred to a campus residence specialist.

An appeal of a nonresident classification or reclassification will be accepted for review only if it meets the requirements described in the Basis for Appeal section below.

A student, following a final campus decision concerning the student's residence classification or reclassification, may make an appeal to the Chancellor's Office within 30 calendar days of the issuance of the notification of the final campus decision. The campus decision may be appealed only if at least one of the following applies:

1. The decision was based on: a) a significant error of fact; b) a significant procedural error; or c) an incorrect application of law, which, if corrected, would require that the student be reclassified; and/or,
2. Significant new information, not previously known or available to the student, became available after the date of the campus decision classifying the student as a nonresident and based on the new information, the classification as a nonresident is incorrect.

An appeal will ONLY be accepted from the student and must be submitted through the InfoReady site. Appeals via e-mail, fax, and U.S. mail will not be accepted. A student with a documented disability that prohibits the student from submitting an appeal through the InfoReady site should contact Student Academic Services (See contact information listed below) for assistance.
