FOOTNOTES:

Prerequisites/Corequisites: Other restrictions may apply. Please see your course catalog for detailed prerequisite/corequisite requirements.

Grade Requirements: CR/NC grading is not permitted in the Social Work major with the exception of SWRK 181 and 182. Students must attain a minimum grade of C in each required course in the Social Work major. A GPA of 2.7 or greater is required for Pre-Social Work courses. These courses, noted with * must be passed with a grade of "C" or higher.

General Education: Units in this area may be used toward a double major or minor (see Double Major or departmental minor). Consult the appropriate department chair, program coordinator, or faculty adviser for further information. With proper selection, 15 units of additional requirements for the Social Work major also may be applied toward fulfilling GE. Consult the department chair, program coordinator, or faculty adviser for details.

Electives (9-24 units): Units in this area may be used toward a double major or minor. Students must earn a minimum of 120 units total to graduate. The number of required elective units may vary, depending on the amount of units earned from major and GE courses.

Upper Division Writing Skills requirement (UDWS): All undergraduate students must demonstrate competency in writing skills by passing the Upper Division Writing Exam (UDWE) or by obtaining a C or better in an approved upper division writing course, identified by the letter "W."

Substitutions: If substitutions/exceptions/waivers are made for any major courses that also meet GE and/or the Multicultural/International graduation requirement, the student is responsible for completing additional courses to satisfy the respective areas (GE and/or MI). This also includes the upperdivision writing requirement.
