IV. Current Reviews

CFS 39 (S. Swallow, College of Social Sciences), QLT Amendment Form received, in shared drive. Approval re: QLT24 & APM206. M/S/C

Considerable list of courses/proposals under OBE-review; several more to be assigned; and impending April curriculum deadline.

V. On-Going Discussion

QLT24 Instrument applies to all blended/hybrid courses above the 20% threshold. Compliance may be via the syllabus, less the Canvas-build-out. Consultation with faculty essential to clarify indeterminate objectives in blended/hybrid to be addressed in QLT Amendment Form.

Communication to department chairs re: courses approved, faculty-consent of willingness to share contents must be honored. Cannot assign untrained faculty to teach approved-course. Blended/hybrid/online can be rolled-back to lower-level combination (at scheduling point; more F2F, less virtual) but cannot be upped to a higher-level mix (less F2F, more virtual).

VI. New Business

Bryan relayed from the Provost: APM 206 likely to be suspended yet into Fall 2021 but not thereafter. Possible summer stipend funds in order conduct QLT24 reviews in preparation for new academic year.
