

FRESNO STATE

Admissions and Recruitment

Greetings Colleagues!

At our Community College Counselors Conference held on October 18, 2019, Fresno State Admissions and Recruitment Office announced we would be updating the timeline for completing admission requirements. In prior spring admission cycles, we allowed applicants to use fall coursework to meet the Golden 4 GE and 60 transferable units for admission. If open, Fresno State will now require all future spring applicants to meet **all** admission requirements by the end of the prior summer term. Fall coursework will **not** be used to meet admission requirements for subsequent spring admission.

EXAMPLE

If Fresno State is open for spring 2021, students will be required to complete the Golden 4 GE (A1, A2, A3 and B4) and complete the 60 transferable units by the end of summer 2020. Also, only transferable coursework completed by the end of summer 2020 will be considered in an applicant's GPA for spring 2021 admission (*used to meet program GPA thresholds*).

Note: If an Associate Degree for Transfer (ADT) is required for admission, the ADT must be earned by the end of summer 2020.

If you have any questions, please contact our office at (559) 278-2261.

Sincerely,

Admissions and Recruitment
